

"Come as you are . . . Leave as HE IS"

JUST AS . . . I AM
(THEME)

Just as I am, You bid me come
No masks, no tasks, unkempt, undone
You want me now.

Just as I am, You want me now
With cracks and scars, yes this is how
I now become . . .

Just as I AM:
'Cause weak though I am, YOU ARE.

*CHORUS:
Lord, You are all that I need to feel, to see!
Lord, Just as I AM - I want to be!
Lord, I'm here just as I am, take all of me -
For all that You ARE - The Great I AM!
(Repeat)

Just as I am, You bid me come
No masks, no tasks, unkempt, undone.
You want me now.

Just as I am, You want me now
With cracks, and scars: this is how
I now become . . .

Just as I AM:
'Cause weak though I am, YOU ARE.

CHORUS:
Lord, You are all that I need to feel, to see!
Lord, Just as I AM - I want to be!
Lord, I'm here just as I am, take all of me -
For all that You ARE - The Great I AM

(Quieter - prayerfully)
Lord of Power, Lord of Might,
Lord Unchanging, Grant me sight
To see the Wonder, Grace, and Light
Of all that You are . . .the GREAT I AM!

Just as I am, You bid me come-
No masks, no tasks, unkempt, undone.
You want me now.
