

I AM. . . FATHER, SON, AND HOLY SPIRIT

THREE-IN-ONE:

I. Welcome and Worship, Holy God:

Playlists: Just As I AM Instrumentals
I AM . . . Three in One

The very first attribute study of Just As. . . I AM addresses our belief in a triune God. It establishes our faith as distinct and different from all others and it resonates throughout scripture. In fact, the idea of the Trinity itself resonates through life! One beautiful example is *water*: ice, flowing water, and steam are all *identically* H₂O yet each form serves very specific and distinct functions. ☺

Enjoy soaking in the Water of Life as you worship.

III. Ponder and Proclaim:

1. In what ways do you see the *power of three* at work in nature, in your life, and in the world?

Take some moments to think quietly and ask God the ways He likes to reveal Himself and the power of the Trinity at work. 2. What images and ideas came to mind?

As we walk down the road of growing in understanding of Who God is, it is beneficial to become aware of this important spiritual truth: Wherever God reveals Himself, the enemy, Satan, likes to distract with a counterfeit.

3. What are any negative instances where *three* is represented to be a bad thing?

Practice recognizing the ways the "father of lies" attempts to discredit or undercut God's revelations of Himself and apply this to other lessons, as well.

IV. Pray and Praise:

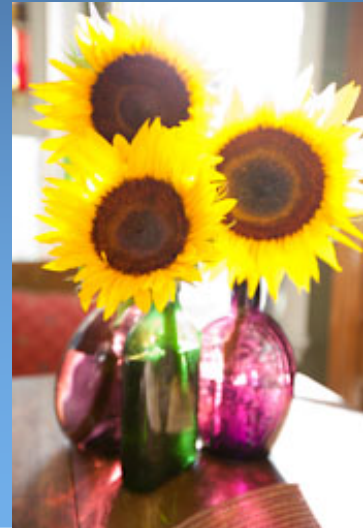

Read the poem, *Water of Life*, p. 39.

Close by praising God for the power of the Trinity and by asking Him to **use threes as a prayer trigger for praise this week.**

As you keep seeing evidence of the power of the Trinity, encourage each other by sharing. Be prepared to keep the email/text channels busy with your God Sightings! ☺

WATER OF LIFE

Jesus, You flow through my life like a river,
And You blow through my life like a storm;
You dance through my life like a raindrop:
You're the Water of Life for my soul.

Father, You're the Rock of my life like a glacier,
You're the Joy of my life like new snow;
You refresh my life like a cup of iced water:
You're the Water of Life for my soul.

Spirit, you waken my life like a cool mist
And you power my life like pure steam;
You're the Force - and the Breath - and the Dance on the wind:
You're the Water of Life for my soul.

Thank you, Son,
Thank you, Father,
Thank you, Spirit . . .
You're the Water of Life for my soul.
